Pursuant to the Joint Notice of Resolution filed on April 26, 2021, the parties anticipated completing the formal settlement agreement as well as the Joint Motion for Preliminary Approval of Class Action Settlement by June 7, 2021. (ECF No. 46.) On June 7, 2021 the parties requested an

extension up to and including June 28, 2021 to file the same (ECF No. 47.) That request was granted on June 8, 2021. (ECF No. 48.)

Good cause now exists to extend the deadline to file settlement documents a second time. The parties have been diligently working on their Joint Settlement Agreement and Release, Joint Motion for Preliminary Approval of Class Action Settlement, and proposed Notice and Request for Exclusion Forms that will be sent to the proposed members of the class. Further, defense counsel is in the process of retaining a third party administrator to handle administering this class action. As such, counsel believes that the additional time will be sufficient to finalize the documents and have their respective clients sign the Settlement Agreement for filing.

Accordingly, the parties stipulate that the previously agreed upon deadline of June 28, 2021 is extended to July 12, 2021. This Stipulation is made in good faith and not for purposes of delay.

DATED this 28th day of June, 2021.
